

ALBERTA SOCIETY OF REGISTERED  
CARDIOLOGY TECHNOLOGISTS

**C.S.C.T. ANNUAL GENERAL MEETING**  
**October 26, 2019      Montreal, Quebec**

### **CSCT ALBERTA DIRECTOR'S REPORT**

ASRCT AGM was held in Edmonton on April 27, 2019. Four excellent speakers presented. In the new year, our Education team will focus on providing educational opportunities online using social media and our website to engage members with quizzes and prizes.

#### **Election results for a 2-year term:**

Vice President: Elin Hasper

Secretary: Amber Myre

#### **Board appointments for a 2-year term:**

President: Larry Leduc

Provincial Director: Amber Myre

Education Coordinator: Cailey Dye, subsequently stepped down and Meghan Parise takes on the duties.

Education Assistant: Alexis Luzande

Recently, two new Board members have been appointed.

Treasurer: Gabriel Cheng will mentor this year with our outgoing Treasurer Sherry Raven.

Education Assistant: Dana Osadchuk will assist with Education and keep our website content current.

There have been no additional updates on our Health Professions Act (HPA) application. Alberta elected a new government this past spring and a new Health Minister was appointed. Lyndsay Arndt of the Alberta College of Combined Lab and X-ray Technologists (ACCLXT) will ask for an introduction to the new Minister. ACCLXT intent continues to be to work together with us to move our application forward in this lengthy step by step legislative process.

Seven students from Alberta wrote the September 2019 CSCT Certification Examination. Congratulations to all successful and we welcome them to become valued members of our association.

Thank you very much to the CSCT 2019 CCC/AGM organizing committee for your dedication in planning the education event and meetings this year. We appreciate all your long volunteer hours to help strengthen our profession.

Respectfully submitted.  
Mary Fielden, RCT  
CSCT Alberta Director
