

Director's Report – Saskatchewan October 2017

Cardiology Technologist Day was celebrated at all 3 hospitals in Saskatoon and 2 hospitals in Regina. The SCTA gifted both cities \$ 500.00 to help with the cost to promote our profession. In both cities the techs decorated heart shaped cookies and sold raffle tickets to a draw for fitness baskets, as well handed out the SCTA brochure "What is a Cardiology Technologist?" which documents our job duties, attributes as well as our training

A pre-exam education day was held on April 7 in Saskatoon to help the students prepare for the exam. Topics for the education day included Pacemaker's 101, ECG interpretation and Tips for Studying.

SCTA AGM and education day was held April 28, in Saskatoon. This year being an election year we had six new members join the SCTA executive.
