

Canadian Society of Cardiology Technologists
Societe Canadienne des Technologues en Cardiologie

May 1, 2019

Dear Members:

This is a general call for nominations for the CSCT Board of Director positions that will be up for election at the CSCT Annual General Meeting on October 26, 2019 in Montreal.

CSCT bylaws require CSCT Directors be elected by the general membership at a CSCT Annual General Meeting. Each province has one Directors seat assigned for a 2-year term. This term will be from October 2019-October 2021. Typically, the nominee for this seat is the Provincial Director that was elected/appointed in that province. A call for nominations letter has been sent to each Provincial board asking for their nominee name.

In addition, elections are open to the general membership if a registered member in good standing desires to run for the CSCT Director seat as well. In this instance the applicant must fit the following criteria.

- 1) Active CSCT member in good standing with CEU's and Dues to show proof of membership.
- 2) Provincial Cardiology Technologist Association Board experience preferred (elected/appointed position or committee work) **or**
 - a) Alternate volunteer experience if not on a Provincial Board **or**
 - b) Solid work record showing excellent communication skills, responsibility, commitment and integrity.
- 3) Must submit resume and supporting signatures from the general membership as per bylaw 5.12.

Interested active CSCT members who fit the above criteria and have **not** been elected/appointed Provincial Director in their province, may email their resume with cover letter and supporting signatures to director-ab@csct.ca by the June 1, 2019 deadline.

Sincerely,

Mary Fielden, RCT

CSCT Alberta Director/CSCT Nominations Committee Chair
