NOMINATIONS COMMITTEE REPORT

CSCT ANNUAL GENERAL MEETING OCTOBER 21, 2017 – Vancouver, B.C.

Hello and Welcome to all Members:

The CSCT Nominations Committee is responsible to send out a call for nominations for CSCT board positions each election year. The committee accepts qualified candidates resumes and cover letters of intent and recommends those qualified to the CSCT Board of Directors for approval.

There was a call for nominations emailed to the membership and to each Provincial Board of Directors in May 2017 for the positions of CSCT Directors, one from each province. Each Provincial Board was asked to submit the name of their nominee for CSCT Director for 2-year terms.

In addition, any members fulfilling the established criteria necessary could also submit their interest. No additional nominees came forward for these positions. The names you see for election for CSCT Directors have all been elected/appointed in their respective provinces. The CSCT Board of Directors recommends you vote in favor of each of these nominees.

There was a call for nominations emailed to the membership in May 2017 for a CSCT Director-At-Large (with the intent to appoint as the CSCT President) for a 2-year term. The current CSCT Executive Vice-President mentors for the office of CSCT President and has allowed her name to stand for this appointment. In addition, any qualified members fulfilling the established criteria necessary could submit their interest. No additional nominations came forward.

CSCT Board of Directors recommends you vote in favor of the CSCT Director-At-Large, with the intent that the CSCT Board of Directors appoints this CSCT Director-At-Large to fulfill the office of CSCT President for a 2-year term.

There was a call for nominations emailed to the membership in May 2017 for the positions of CSCT Registrar and CSCT Executive Secretary. In accordance with our bylaws, these positions are officers of the Society and are appointed by CSCT Board of Directors. As such, these candidates are not up for election.

Five applications were received for the CSCT Registrar position. One application was received for the CSCT Executive Secretary position. All have been carefully reviewed by the CSCT Board of Directors. The successful candidates for both positions to fulfill 2-year terms, will be appointed by the CSCT Board of Directors immediately following this meeting.

On behalf of the CSCT Board of Directors, we thank you for your interest and look forward to working with those elected and appointed today.

Respectfully submitted,

Mary Fielden, RCT

CSCT Nominations Committee Chair/ CSCT Alberta Director
