NOMINATIONS COMMITTEE REPORT

CSCT ANNUAL GENERAL MEETING OCTOBER 20, 2018 – Toronto, Ontario

Greetings and thank you all for attending the AGM.

The CSCT Nominations Committee is responsible to send out a call for nominations for CSCT board positions each election year. The committee accepts qualified candidates resumes and cover letters of intent and recommends those qualified to the CSCT Board of Directors for approval.

There was a call for nominations emailed to the membership on May 2, 2018 for the positions of Education Director and Director-At-Large (intent to be appointed Office of Treasurer). Both positions are for 2-year terms October 2018-October 2020.

Any eligible members fulfilling the established criteria necessary could submit their interest. The names on the proxy and ballot for Education Director and Director-At-Large have been recommended by the Nominations Committee and approved by CSCT Board of Directors to stand for election.

On behalf of the CSCT Board of Directors, we thank you for your interest and look forward to working with those elected and appointed today.

Respectfully submitted,

A handwritten signature in cursive script that reads 'Mary Fielden'.

Mary Fielden, RCT

CSCT Nominations Committee Chair/ CSCT Alberta Director
